

Presleys' Country Jubilee Four Generations on Stage Nightly!

Long before Hwy 76 became America's lighted boulevard of family entertainment. Long before Branson became what 60 Minutes called "the live country music capital of the universe." Long before any of that, the Presley Family built Branson's Original Show on the Strip. Presleys' Country Jubilee was a smash hit. People from across the country lined up every night for a chance to hear the country music and comedy the Presley family loved to perform.

Today, at the center of it all, and still singin' and making people laugh, Branson's first family of entertainment remains. The Presleys! Four generations doing what they do best-delighting millions of families with an unforgettable show the Los Angeles Times calls a "stomp your feet mix of music and comedy."

From new country favorites to old country classics – from the zany antics of Herkimer and Cecil to the soulful reflection of southern gospel hits – it's the one Branson show Regis Philbin says "You've got to see."

The Presleys invite you to come on in, have a seat and lose yourself in an evening of great music and hilarious comedy. The kind of timeless American Entertainment you can share with the whole family!
